* Color photo without a PC in border layout measured from start of paper feed. Additional print time will vary based on system configuration, software application and page complexity. See www.epson.com/printspeed for more information about print speeds.

** Using the PictureMate cartridge and PictureMate paper, prints are predicted to last up to 200 years in archival sleeves in album storage and up to 96 years in a glass frame in indoor display conditions. See willhelm-research.com for test conditions. Actual print stability will vary according to image and storage or display conditions. Epson does not guarantee the longevity of prints.

*** Sold separately; please visit www.MyPictureMate.com for ordering information.

Satisfaction Guarantee: If you are dissatisfied because you receive fewer prints than the number of sheets of paper stated on your Print Pack, return the remaining sheets and Epson will refund the difference. This guarantee covers only end-user claims in the U.S. and Canada and does not cover any non-Epson ink or paper, or commercial use of the printer. Call (562) 276-1347 (U.S.) or (905) 709-8676 (Canada), or see www.MyPictureMate.com/satisfactionguarantee for more information about our PictureMate Print Pack Satisfaction Guarantee. For print quality, a variable amount of ink remains in the cartridge after the "Replace Print Pack" indicator comes on.
