

Expression[®] Premium XP-820 Small-in-One[®] Printer

WIRELESS | PRINT | COPY | SCAN | FAX | PHOTO | ETHERNET

All-in-One

Expression Premium

The versatile, wireless¹ all-in-one for unbeatable photo quality².

Consumer-rated unbeatable photo quality² — vivid, bright photos and sharp text from an ultra powerful, ultra slim Small-in-One

Full-featured — 30-page Auto Document Feeder; auto 2-sided print/copy/scan/color fax; auto extend output tray

Create — rear paper feed accommodates specialty paper³, plus dedicated photo and CD/DVD trays

Lab quality — smudge, scratch, water and fade resistant⁴ borderless photos up to 8" x 10"

Ultimate wireless — easily print from iPad[®], iPhone[®], tablets and smartphones⁵; includes Wi-Fi Direct^{®1}

Fast — 4" x 6" photos in as fast as 12 seconds⁶

Easy — 4.3" intuitive touchscreen with gesture navigation

Share — scan to Facebook[®] and the cloud for easy photo sharing⁷

PC-free printing — easy photo printing with built-in USB and memory card slots⁸, plus lined paper and calendar templates

Brilliant — Auto Photo Correction and red-eye removal

The versatile, wireless¹ all-in-one for unbeatable photo quality².

The Expression Premium XP-820 Small-in-One delivers unbeatable photo quality² for vivid, smudge resistant photos⁴ up to 8" x 10", plus high-quality CD/DVDs. Do more with the 30-page Auto Document Feeder and auto 2-sided printing, copying, scanning and faxing. Plus, it prints 4" x 6" photos in as fast as 12 seconds⁶. A dedicated photo tray and specialty paper support offer easy printing for photos, envelopes and more. This ultra slim all-in-one features the ultimate connectivity. Print from smartphones and tablets⁵, or scan photos to Facebook or the cloud⁷. Breeze through any task with the 4.3" touchscreen, featuring gesture navigation.

Consumer-rated unbeatable photo quality²

Validated through independent testing, this printer offers consumer-rated unbeatable photo quality when compared to leading photo all-in-one printers. Print and display lab-quality, borderless photos — 4" x 6", 5" x 7" and 8" x 10" — anytime.

30-page Duplex Auto Document Feeder

Ultra powerful performance, ultra slim design

Get the best of both worlds: powerful performance and a sleek, compact design. This versatile Small-in-One printer gives you all the tools you need for photos, documents and more, while saving valuable space on your desk. It even includes built-in templates for lined paper and calendars.

Save time with auto 2-sided print/copy/scan/color fax

Quickly scan or fax stacks of 2-sided originals at one time with the 30-page duplex Auto Document Feeder. You can even scan to email. This printer handles it all, plus 2-sided printing and copying.

The ultimate in wireless¹ and network printing.

Simple wireless connectivity¹

Connect to your wireless network in a snap — the popular wireless standard, 802.11n, is supported. Your printer also includes Wi-Fi Direct, which means no router is required¹. And, you can connect up to four devices at once.

Wired networking

Built-in Ethernet makes sharing the printer on your network quick and easy.

Productivity anytime, anywhere⁵

Easily print from your tablet or smartphone using Epson Connect™⁵. Supports Android™, Apple® iPad and iPhone, Chromebook™, Kindle Fire™, Mac® and Windows® devices. Wirelessly print documents, photos, emails and web pages whether at home or on the go. You can also scan documents and save them to the cloud⁷ for easy access and collaboration.

Easy to print.

Dedicated photo tray

Easy menu navigation

Print from your iPad or iPhone

Apple® AirPrint™ makes it simple to print photos, emails, web pages and documents straight from your iPad or iPhone. There's no software to download, no drivers to install and no cables to connect. Your Apple® iOS® device will automatically connect to the printer.

Share your Google® content

Print on the go from a smartphone or tablet using Google Cloud Print™ with your Gmail™ or Google Drive™ account. Plus, print from your Chromebook and Google Chrome™ without installing drivers or connecting cables. It's now even easier to share your Google content from anywhere.

Innovative features for easy, hassle-free printing

Your printer is always ready for any task thanks to its dedicated photo tray — there's no need to switch to photo paper. And, there's an innovative, auto-extend/retract output tray. Just click "Print" and the paper tray comes out on its own. There's no need to pull it out every time you print.

Intuitive 4.3" LCD with gesture navigation

Navigating the printer menu is easier than ever with an intuitive 4.3" color touchscreen — a simple finger swipe is all it takes. Preview, edit and print photos — all without your computer — using the built-in USB and memory card slots⁸. It's all right at your fingertips.

Easy to share.

Easy creative projects

Creative projects made easy

Create elegant note paper or invitations in a snap — whatever you need to make special occasions even more memorable. Use the rear paper feed for specialty paper³ such as card stock, envelopes, labels and more. Or, create customized CDs/DVDs with direct CD/DVD printing.

Scan and share instantly

Share special moments instantly. Dig those photos out of your shoeboxes and scan them to Facebook quickly and easily⁷. Or, scan important documents and send them to popular cloud services⁷. Just install the included software on your PC and you're ready to get started.

Worry-free handling

Get professional-quality photos that are smudge, scratch, water and fade resistant⁴. Share photos or archive important documents right after printing.

Ordering Information

Product Name
Expression Premium XP-820

Product Code
C11CD99201

† Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed | †† Black and color copy speeds are determined in accordance with ISO/IEC 29183. Actual copy times will vary based on system configuration and page complexity. For more information, visit www.epson.com/copyspeed | 1 Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | 2 Unbeatable photo quality when compared to leading photo all-in-one printers as of February 2013, validated through independent testing. | 3 Specialty paper support accommodated through rear paper feed, maximum 23 mil paper thickness, manual 2-sided printing only. | 4 Smudge, scratch, water and fade resistant on Epson photo papers. For CDs/DVDs, resistant only on specially-treated discs. | 5 Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit www.epson.com/connect | 6 Color photo in Draft Mode on Premium Photo Paper Glossy measured from start of paper feed. Actual print times will vary based on system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed | 7 Requires Easy Photo Scan software (included). Mac version may require software download. | 8 Adapter may be required. | 9 For sending and receiving faxes. | 10 Some applications and/or functions may not be supported under Mac OS X. | 11 Display permanence based on accelerated testing of prints displayed under glass in indoor display conditions; album permanence based on accelerated testing of prints in dark storage conditions. Actual print stability will vary according to media, printed image, display conditions, light intensity, temperature, humidity and atmospheric conditions. Epson does not guarantee the longevity of prints. For maximum print life, display all prints under glass or UV filter or properly store them. | 12 Replacement cartridge yields are based on ISO/IEC 24711 tests in default mode printing continuously. Cartridge yields vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and all-in-one maintenance, and all colors have to be installed for printing. For print quality, part of the ink from the included cartridges is used for printer startup and a variable amount of ink remains in the cartridges after the "replace cartridge" signal. For details, see www.epson.com/cartridgeinfo | 13 For convenient and reasonable recycling options, visit www.epson.com/recycle | 14 SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.
