Limited Warranty Program for the
Epson[®] SureColor[®] S50675 and S70675
64-inch wide Solvent Printers

Toll-Free Phone Number

Priority Technical Support

Security and Peace of Mind

On-Site Repair

Welcome and Congratulations

Congratulations on your purchase of the Epson® SureColor® S50675 or SureColor® S70675 64-inch wide solvent printer. Your printer is designed to provide consistent high quality output in the solvent printing environment. To ensure your complete satisfaction with its performance, Epson is pleased to include the Epson PreferredSM Limited Warranty Plan described in this document.

This one-year limited warranty plan includes priority toll-free technical phone support and on-site hardware service for your printer. Should you have a question or experience a problem with your printer, simply call the exclusive Epson Preferred toll-free number, and select the technical support option, as described in this booklet. Please have your Serial Number available for the answering technical support specialist. Since it's an exclusive number, your call will be answered promptly.

Please review the information contained in this booklet. You'll find the exclusive Epson Preferred toll-free number. You'll find our complete terms and conditions for this one-year limited warranty at the end of this booklet, under "Terms and Conditions—Limited Warranty for Commercial Products."

Once again, congratulations and welcome to the Epson Preferred Family.

Note: The print head maintenance is the user's responsibility. However, Epson covers head replacement while the printer is under the Epson Preferred Limited Warranty, and under any Preferred Plus Plan (limited or unlimited number of head replacements, depending on the Preferred Plus Plan purchased). The life of the print head will vary depending on the user's print volume, print patterns and heater temperature for print settings. Doing proper user maintenance of the print head will help prolong its life.

Purchasing Extended Service: the Epson Preferred Plus Plan

The Epson Preferred Limited Warranty Plan offers premium warranty service for one year. We'd like to inform you of the opportunity to continue enjoying Epson service after the end of your warranty through our Preferred Plus Plan—Epson's extended service contracts for the Epson SureColor S50675 or SureColor S50675 64-inch wide solvent printer. Just purchase a Preferred Plus Plan during the one-year limited warranty period and you'll continue to have access to our toll-free priority technical support line, plus the on-site hardware service offered under the plan you choose:

Silver (one year of coverage or two service calls, whichever occurs first; in either case a maximum of two print heads will be replaced).

* EPPS5070SB1

Gold (one year of coverage or three service calls, whichever occurs first; in either case a maximum of four print heads will be replaced).

* EPPS5070GB1

Platinum (one year of coverage, no limit on service calls or print head replacements)
EPPS5070PB1

* The printer uses two side-by-side print heads. Replacement of either head counts as one print head replacement under the Silver and Gold plans.

You may purchase a plan any time during the one-year limited warranty period. You may also purchase a second plan to follow your first plan, if

the purchase is made during the warranty period or while the first plan is still in effect. All Plans include Parts and Labor. No renewal of extended service is available after expiration of your second Preferred Plus Plan.

For Epson Preferred Technical Support

Follow these easy steps to obtain technical support.

Step 1: Have your serial number available:

Step 2: Call toll-free 888-377-6611 or call 562-276-1305.

Step 3: Follow the voice prompt instructions.

Step 4: Be prepared to work with the Technical Support Specialist to diagnose the problem.

Operating Hours: Currently Monday through Friday, 6 AM to 6 PM Pacific Time (subject to change)

Terms and Conditions

Limited Warranty for Commercial Products

What Is Covered: Epson America, Inc. (“Epson”) warrants to the first end-user customer that the Epson SureColor S50675 and SureColor S70675 64-inch wide solvent printers covered by this limited warranty statement, if purchased and used in the United States, Canada, or Puerto Rico, will conform to the manufacturer’s specifications and will be free from defects in workmanship and materials for a period of one year from the date of original purchase (proof of purchase required). Epson also warrants that the consumable ink cartridges enclosed with the engine will perform to the manufacturer’s specified usage, which usage may expire before the expiration of the limited warranty for the Epson printer.

What Epson Will Do To Correct Problems:

Should your Epson SureColor S50675 or SureColor S70675 64-inch wide solvent printer prove defective during the limited warranty period, please call the toll-free Epson Preferred support line identified in this booklet. This line will be answered during Epson’s regular support hours (currently 6:00 AM to 6:00 PM Pacific Time, Monday through Friday—subject to change). When you call, please be prepared to provide the service technician with Proof of Purchase information including the serial number and original date of purchase. You may also need to provide proof of purchase if warranty coverage cannot be verified by the serial number. An Epson service technician will work with you to try to resolve the problem, and if your printer needs repair, diagnose the issue and determine what parts may be required.

If service is required, the On-Site Response service program will be utilized in almost all cases. The technician will provide additional instructions about the program at the time this service is being set up. In rare cases, in its sole discretion, Epson may instead elect to exchange the unit. Please see below for highlights of the programs. When service involves the exchange of a unit or its parts, the items replaced become the property of Epson. The new items assume the remaining warranty period of the original Product. Parts may be new or remanufactured to Epson standards.

On-Site Response: If the printer needs hardware repair and you are within Epson’s on-site service territory, an Epson Authorized Servicer will be contacted to make the repair at your facility. Epson will usually dispatch repair parts and a technician to your location for the next business day if determination that repair is required occurs prior to 1:00 PM Pacific Time. If that determination is made after 1:00 PM, dispatch will usually be for the second business day. An adult must be available to accept the parts delivery and be present at all times while a technician is on-site. Epson’s shipment of service parts does not imply that replacement is required.

Printer Exchange: Epson may, in its sole discretion, elect to replace a printer that for whatever reason appears to require technical services beyond the capability of field repair. Under these rare circumstances, Epson will replace the printer with the same or a comparable printer refurbished to the Epson standard of quality. (The replacement printer will not include promotional materials, accessories, stands, documentation, manuals, software, or cables.) The customer must be able to receive, unpack, and install the replacement printer, and prepare

the defective printer for return shipment by following the procedures described in the user manual or documentation provided by Epson. The repacked defective printer will be picked up by a carrier designated by Epson. If the defective product is not prepared for return within seven business days of receipt of the replacement printer, the customer will be invoiced at the then current manufacturer's suggested retail price for the replacement printer. It is your responsibility to unpack, re-install optional components (interface cards, roll paper spindle, etc.), and set up the exchange printer at your location.

What This Warranty Does Not Cover:

This warranty does not cover:

1. Any damage caused by neglecting or improperly performing user-level maintenance as documented in the *Epson SureColor S-Series User's Guide*. The user-level maintenance includes the following items:
 - a. Check and clean the print head, wiper, cap unit surroundings, and wiper rail (recommended: once a day)
 - b. Perform periodic nozzle checks and nozzle cleanings to prevent ink build up around the print head and cap unit area as needed
 - c. Check and replace the wiper, wiper cleaner parts, and flushing pad—included as part of the maintenance kit. (recommended: at least once every three months)
 - d. Properly discharge the waste ink as needed
 - e. Remove, shake and reinsert all installed ink cartridges (recommended: once a day)
 - f. Clean the platen heater, pressure rollers and media holding plates (recommended: daily, or as needed when there is media dust buildup)
 - g. If the printer is not being used and is turned off, turn the printer on at least every seven days
 - h. Do not turn the printer off if Metallic Silver and/or White cartridges are installed
 - i. If the printer is not used for an extended period, clean it with a cleaning cartridge (recommended: SureColor S50675—if not used for 3 weeks or more, SureColor S70675—if not used for two weeks or more)
 - j. If White and/or Metallic Silver cartridges are installed and the printer is not used for an extended period, clean it with a cleaning cartridge (recommended: if not used for one week)
 - k. If cartridges are cold, let them warm to room temperature before using (recommended: 4 hours or more)
 - l. Do not remove ink cartridges and leave them out of the printer for extended periods of time
 - m. Do not touch the green IC chip on cartridges
 - n. When storing used cartridges, use a cleaning stick to wipe the cartridge's ink port
 - o. Store White and Metallic Silver cartridges flat

Note: See the Maintenance section of your *User's Guide* for in-depth maintenance instructions to best maintain your investment.

2. Any damage caused by using non-Epson inks or ink cartridges, or any ink delivery system other than the system built into the printer (for example, any bulk ink system). Any damage caused by using non-Epson media (except for media expressly recommended by Epson).
3. Any damage caused by third-party software, applications, parts, components or peripheral devices added to the product after its shipment from Epson, (for example, dealer or user-added boards, components, or cables).
4. Any damage caused by misuse, abuse, improper installation, neglect, failure to maintain, improper packing or shipping, disasters such as fire, flood, lightning, improper electrical currents, software problems, or interaction with non-Epson products.
5. Any damage from service performed by other than an Epson Authorized Servicer.
6. Service when the printer is used outside the U.S., Puerto Rico, and Canada.
7. Service where the printer label, logo, rating label, or serial number has been removed.
8. Any damage to used, refurbished, or reconditioned products.
9. Any color change or fading of prints, or reimbursement of materials or services required for reprinting.
10. Any damage caused by using improper packaging materials or improper packaging and shipping.
11. Service required to convert the printer to include or disinclude White and/or Metallic Silver ink cartridges after the printer has been set up.

This warranty is not transferable. If a claimed defect cannot be identified or reproduced in service, you will be held responsible for costs incurred.

DISCLAIMER OF WARRANTIES: THE WARRANTY AND REMEDY PROVIDED ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHER EXPRESSED OR IMPLIED WARRANTIES INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. UNLESS STATED HEREIN, ANY STATEMENTS OR REPRESENTATION MADE BY ANY OTHER PERSON OR FIRM ARE VOID.

Remedies: Your exclusive remedy and Epson's entire liability for a material breach of this Agreement will be limited to a refund of the price paid for the Epson products covered by this Agreement. Any action for breach of warranty must be brought within three months of the expiration date of the warranty. Epson is not liable for performance delays or for nonperformance due to causes beyond its reasonable control. Except as provided in this written warranty, neither Epson nor its affiliates shall be liable for any loss, inconvenience, or damage, including direct, special, incidental or consequential damages, including lost profits, cost of substitute

equipment, downtime, claims of third parties, including customers, or injury to property, resulting from the use or inability to use the Epson products, whether resulting from a breach of warranty or any other legal theory. Some jurisdictions do not allow limits on warranties or remedies for breach in certain transactions. In such jurisdictions, the limits in this paragraph and the preceding paragraph may not apply.

In Canada, warranties include both warranties and conditions.

Arbitration, Governing Laws: Any disputes arising out of this Agreement will be settled by arbitration to be conducted in Los Angeles, California, before a single arbitrator in accordance with the commercial Arbitration Rules of the American Arbitration Association, and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. This Agreement shall be construed in accordance with the laws of the State of California, except this arbitration clause which shall be construed in accordance with the Federal Arbitration Act.
