Firmware Update Required

Before loading film into your SureColor P800 Screen Print Edition printer for the first time, you must download and install the latest firmware.

The firmware can be downloaded from:

www.epson.com/support/p800sp

Caution: After downloading the firmware, follow the instructions on the Screen Print Edition setup sheet to make the necessary settings on the SureColor P800. You must follow these instructions to print on Epson Screen Positive Film.
