Quick Setup

Before using the projector, make sure you read the safety instructions in the online User’s Guide.

Note: Your product may differ from the illustrations on this sheet, but the instructions are the same.

Connect the projector
Choose from the following connections. See the sections below or the online User’s Guide for details.

Computer port
Connect one end of a VGA cable to the projector’s Computer1 or Computer2/ Monitor Out port, and the other end to your laptop or computer’s monitor port. Make sure to switch your laptop to external display (see “Troubleshooting” on the back of this sheet). You can also connect an audio cable.

HDMI port
Connect one end of an HDMI cable to the projector’s HDMI1/HDMI2 ports and the other end to an HDMI port on your computer.

USB port
Connect the square end of a USB cable to the projector’s USB port.

Component video to VGA cable
Connect the flat end of the cable to any USB port on your computer.

Video device
Connect multiple video devices and use the Source Search button on the projector or remote control to switch between them.

Mobile media device
Connect tablets, smartphones, and other devices that support the MHL™ standard to the HDMI/MHL port.

Camera, USB device, or document camera
Connect a digital camera, USB flash drive, USB storage device, or Epson DC-07 document camera to the projector’s USB-A (flat) port.

External monitor and external speakers
You can also connect an external monitor and external speakers to your projector to enhance your presentations. See the online User’s Guide for details.

Turn on your equipment
1 Turn on your computer or video source.
2 Plug in the projector. The On/Standby light on the projector turns blue.
3 Open the A/V Mute slide all the way.
4 Press the power button on the projector or remote control. The projector beeps, the Status light flashes blue, and then stays on.

5 Use the arrow buttons on the remote control to highlight any of the options on the Home screen that appears, then press to select it. You can display a QR code, switch between projection sources, and quickly access various adjustment options from this screen.

6 The default language of the menu system is English. To select another language, press the Menu button on the projector or remote control. Select Extended and press . Select Language and press . Select your language and press . Press the Menu button to exit the menu system.

Adjust the image
1 If you don’t see an image, press the Source Search button on the projector or remote control to select the image source. Note: if you still see a blank screen or have other display problems, see the troubleshooting tips on the back of this sheet.
2 To raise the image, press the foot release button and lift the front of the projector. Release the button to lock the foot in position.
3 To reduce or enlarge the image, turn the zoom ring.
4 To sharpen the image, turn the focus ring.
5 If your image looks like or , you may have placed the projector off to one side of the screen at an angle. Place the projector directly in front of the center of the screen, facing the screen squarely. If you can’t move the projector, use the horizontal keystone slider on the projector to correct the image shape.
6 Your projector automatically adjusts images that look like or , but if necessary you can press the or button on the projector to correct it.

Project over a wired network
Follow the steps here to configure your projector for your wired network using the projector’s menu system.

Note: To connect the projector to a wireless network, you need the optional wireless LAN module (part number V12H731P02). For more information about using the projector on a network, see the online User’s Guide.

1 Press the Menu button on the remote control, select the Network menu, and press .
2 Select Network Configuration and press .
3 Select the Basic menu and press .
Quick Setup

Before using the projector, make sure you read the safety instructions in the online User's Guide.

Note: Your product may differ from the illustrations on this sheet, but the instructions are the same.

Connect the projector

Choose from the following connections. See the sections below for more details.

**Computer**

- Connect one end of a VGA cable to the projector's Computer port, and the other end to your computer. You can also connect an audio cable.
- Connect one end of an HDMI cable to the projector's HDMI1/MHL or HDMI2 port, and the other end to your computer.
- Connect one end of a USB cable to the projector's USB port, and the other end to your computer.

**USB**

- Connect a USB device to the projector's USB port.

**Video device**

- Connect multiple video devices and use the Source Search button on the projector or remote control to switch between them.

Mobile media device

Connect tablets, smartphones, and other devices that support the MHL™ standard to the HDMI1/MHL port.

Some devices may require an adapter or may not require an MHL cable. Not all features or functions may be supported. Check your device’s documentation for more information.

Camera, USB device, or document camera

Connect a digital camera, USB flash drive, USB storage device, or Epson DC-67 document camera to the projector's USB-A (flat) port.

If you connect a digital camera, USB flash drive, or USB storage device, you can use the projector's PC Free feature. You can also connect other Epson document cameras to the projector. See the online User’s Guide for details.

External monitor and external speakers

You can also connect an external monitor and external speakers to your projector to enhance your presentations. See the online User’s Guide for details.

Turn on your equipment

1. Turn on your computer or video source.
2. Plug in the projector. The On/Standby light on the projector turns blue.
3. Open the A/V Mute slide all the way.
4. Press the power button on the projector or remote control. The projector beeps, the Status light flashes blue, and then stays on.

   **Note:** To shut down the projector, press the power button twice.

5. Use the arrow buttons on the remote control to highlight any of the options on the Home screen that appears, then press \( \text{OK} \) to select it. You can display a QR code, switch between projection sources, and quickly access various adjustment options from this screen.

6. The default language of the menu system is English. To select another language, press the Menu button on the projector or remote control. Select Extended and press \( \text{OK} \). Select Language and press \( \text{OK} \). Select your language and press \( \text{OK} \). Press the Menu button to exit the menu system.

Adjust the image

1. If you don’t see an image, press the Source Search button on the projector or remote control to select the image source.
2. To raise the image, press the foot release button and lift the front of the projector. Release the button to lock the foot in position.
3. To reduce or enlarge the image, turn the zoom ring.
4. To sharpen the image, turn the focus ring.
5. If your image looks like \( \text{or } \), you may have placed the projector off to one side of the screen at an angle. Place the projector directly in front of the center of the screen, facing the screen squarely. If you can’t move the projector, use the horizontal keystone slider on the projector to correct the image shape.
6. Your projector automatically adjusts images that look like \( \text{or } \), but if necessary you can press the \( \text{or } \) button on the projector to correct it.

Using the remote control

Install the batteries as shown (two AA batteries).

1. Press the Menu button on the remote control, select the Network menu, and press \( \text{OK} \).
2. Select Network Configuration and press \( \text{OK} \).
3. Select the Basic menu and press \( \text{OK} \).

Project over a wired network

Follow the steps here to configure your projector for your wired network using the projector’s menu system.

Note: To connect the projector to a wireless network, you need the optional wireless LAN module (part number V12H7111P00). For more information about using the projector on a network, see the online User’s Guide.

1. Press the Menu button on the remote control, select the Network menu, and press \( \text{OK} \).
2. Choose which source to display.
3. Access the Home screen.
4. Turn off projector on and off.
5. Navigate projector menus.
6. Access projector display.
7. Turn on projector.
8. Install the batteries as shown (two AA batteries).
Press the • checkbox.

Displays

If you're using a Mac laptop, open Fn + . You may have to hold down the Fn key while pressing it (as on a PC). Wait a moment for the display to appear.

If you're using a Mac laptop, open System Preferences and press •. Then press • again to save your settings.

Press the Menu button to exit the menu system.

Install network software

Links to download the software and to the manuals are available from the projector CD. Downloads require an Internet connection. You can also download the software and manuals from the Epson website, as described in “Where to get help.”

To monitor and control your projector over the network, install the EasyMP Network Monitor software (Windows® only). To project from multiple PCs over the network, install the EasyMP Multi PC Projection software. To update your projector’s firmware over a wired LAN, install the EasyMP Network Updater software.

Click the icons on your desktop to view the software manuals. See the manuals for instructions on installing and using the software.

Troubleshooting

If you see a blank screen or the No signal message after turning on your computer or video device, check the following:

Make sure the Status light on the projector is blue and not flashing, and the AV Mode is on.

Press the Source Search button on the projector or the remote control to switch to the correct image source, if necessary.

Press the Home button on the projector or remote control to verify the source input and settings.

If you’re using a Windows laptop, press the function key on your keyboard that lets you display on an external monitor. It may be labeled CRT/CD or have an icon such as ○. You may have to hold down the Fn key while pressing it (as on a PC). Wait a moment for the display to appear.

If you’re using a Mac laptop, open System Preferences and select Displays. Click the Arrangement tab and select the Mirror Displays checkbox.

Where to get help

Manuals

For more information about using the projector, click the icons on your desktop to view the online manuals (requires an Internet connection). If you don’t see icons to the manuals, you can install them from the projector CD or go to the Epson website, as described below.

Telephone support services

To use the Epson PrivateLine® Support service, call (800) 637-7661. This service is available for the duration of your warranty period. You may have to speak with a support specialist by calling (562) 276-4394 (U.S.) or (905) 708-3839 (Canada).

Support hours are 6 AM to 8 PM, Pacific Time, Monday through Friday, and 7 AM to 4 PM, Pacific Time, Saturday. Days and hours of support are subject to change without notice. Toll or long distance charges may apply.

Internet support

Visit www.epson.com/support (U.S.) or www.epson.ca/support (Canada) for solutions to common problems. You can download utilities and documentation, get FAQs and troubleshooting advice, or e-mail Epson.

Registration

Register today to get product updates and exclusive offers. You can use the CD included with your projector or register online at www.epson.com/webreg.

Optional accessories

For a list of optional accessories, see the online User’s Guide.

You can purchase screens or other accessories from an Epson authorized reseller. To find the nearest reseller, call 800-GO-EPSON (800-463-7766). Or you can purchase screens online at www.epsonstore.com (U.S. only) or www.epson.ca (Canadian sales).

Notices

Declaration of Conformity

According to 47CFR, Part 2 and 15, Class B Personal Computers and Peripherals; and/or CPU Boards and Power Supplies used with Class B Personal Computers.

Epson America, Inc.

Located at: 3840 Kilroy Airport Way

MS 1-13

Long Beach, CA 90806

Telephone: (562) 981-3500

Declare under sole responsibility that the product identified herein, complies with the technical standards as required by the FCC. This includes the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Trade Name: Epson

Type of Product: LCD Projector

Model: H822A/H819A

Marketing Name: PowerLite 4200/4240W

Epson America, Inc. Limited Warranty

Two-Year Projector Limited Warranty and 90-Day Lamp Limited Warranty

What is Covered: Epson America, Inc. (“Epson”) warrants to the original retail purchaser of the Epson projector product enclosed with this limited warranty statement that the product, if purchased new and operated in the United States, Canada, or Puerto Rico will be free from defects in workmanship and materials for a period of two years from the date of the date of original purchase. This limited warranty applies only to the projector and not to the projector lamp, which carries a limited warranty period of ninety days from the date of original purchase. For warranty service, you may be required to provide proof of date of the original purchase.

What Epson Will Do To Correct Problems: If your product requires service during the limited warranty period, call Epson at the phone number on the bottom of this statement and be prepared to provide the model, serial number, and, if required, date of original purchase. If Epson confirms that warranty service is required, Epson will, at its option, repair or replace the defective unit, without charge for labor, if you send the defective unit, freight prepaid, to an Epson Authorized Service Center. You must pay to have the defective unit returned, unless Epson tells you otherwise. You are responsible for any additional postage, insurance, or third party shipping charges. The repaired or replacement product will be returned, freight prepaid, to you, unless Epson tells you otherwise.

What Epson Will Not Cover: This warranty covers only normal use in the United States, Canada, or Puerto Rico. This warranty does not cover the following:

• Excessive continual use
• Consumables such as filters
• Installation or removal
• Cosmetic damage caused by handling or normal wear and tear during usage
• Damage caused by failure to properly maintain the projector (see your online User’s Guide for details)
• Damage caused by interaction with non-Epson products, such as add-in cards or cables
• Any problem resulting from misuse, abuse, improper installation, neglect, improper shipping, disasters such as fire, flood, and lightning, improper electrical current, software problems, exposure to chemical smoke, or excessive humidity
• Any problem resulting from service by other than Epson or an Authorized Epson Reseller

Epson is not responsible for warranty service should the Epson label or logo or the rating label or serial number be removed. This warranty is not transferable. Epson is not responsible for your data or applications, which cannot be restored or should not be backed up by you. Postage, insurance, or shipping costs incurred in presenting your Epson product for warranty service are your responsibility. If a claimed defect cannot be identified or reproduced in service, you will be held responsible for costs incurred.

Disclaimer of Other Warranties: The Warranty and Remedy Provided Above Are Exclusive and in lieu of all other EXPRESS OR IMPLIED WARRANTIES INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE. SOME LAWS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES. IF THESE LAWS APPLY, THEN ALL EXPRESS AND IMPLIED WARRANTIES ARE LIMITED TO THE WARRANTY PERIOD IDENTIFIED ABOVE. UNLESS STATED HEREIN, ANY STATEMENTS OR REPRESENTATIONS MADE BY ANY OTHER PERSON OR FIRM ARE VOID.

Exclusion of Damages: Epson’s Maximum Liability in No Event Shall Epson Or Its Affiliates Be Liable For Any Special, Incidental, Or Consequential Damages Or Any Loss Or Benefits Resulting From The Use Or Failure To Use The Epson Product, Whether Resulting From Breach Of Warranty Or Any Other Legal Theory. IN NO EVENT SHALL EPSON OR ITS AFFILIATES BE LIABLE FOR DAMAGES OF ANY KIND IN EXCESS OF THE ORIGINAL RETAIL PURCHASE PRICE OF THE PRODUCT.

Limitation of Remedies: Any dispute, claim or controversy arising out of or relating to this warranty shall be determined by arbitration in Los Angeles, California before a single arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. Any action must be brought within three months of the expiration of the warranty. This clause shall not preclude parties from seeking provisional remedies and of arbitration from a court of appropriate jurisdiction. This warranty may be amended by a written agreement signed by both parties.

Other Rights You May Have: This warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction. Some jurisdictions do not allow limitations on how long an implied warranty lasts, or allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

In Canada, warranties include both warranties and conditions. To find the Epson Authorized Reseller nearest you, please visit www.epson.com in the U.S. or www.epson.ca in Canada.

In the United States, Epson America, Inc., 3840 Kilroy Airport Way, MS 1-13, Long Beach, CA 90806-0012, and Epson Canada, Inc., 160 Mill Way, Mississauga, ON L5T 1J9, are the warrantors in Canada.

Troubleshooting
If you see a blank screen or the No signal message after turning on your computer or video device, check the following:

- Make sure the Status light on the projector is blue and not flashing, and the A/V Mute slide is open.
- Press the Source Search button on the projector or the remote control to switch to the correct input source, if necessary.
- Press the Home button on the projector or remote control to verify the source input settings.
- If you’re using a Windows laptop, press the function key on your keyboard that lets you display an external monitor. It may be labeled CRT/CD or have an icon such as 
- If you’re using a Mac, laptop, open System Preferences and select Displays. Click the Arrangement tab and select the Mirror Displays checkbox.

Epson America, Inc. Limited Warranty
Two-Year Projector Limited Warranty and 90-Day Lamp Limited Warranty
What Is Covered
Epson America, Inc. (“Epson”) warrants to the original retail purchaser of a new Epson Projector product, if purchased new and operated in the United States, Canada, or Puerto Rico, that Epson will repair or replace any defective part of such product, if purchased new and operated in the United States, Canada, or Puerto Rico, for a period of two years from the date of original purchase. This limited warranty applies only to the projector and not to the projector lamp, which carries a limited warranty period of ninety days from the date of original purchase. For warranty service, you may be required to provide proof of date of the original purchase.

What Epson Will Do To Correct Problems: If your product requires service during the limited warranty period, call Epson at the phone number on the bottom of this statement and be prepared to provide the model, serial number, and, if required, date of original purchase. If Epson confirms that warranty service is required, Epson will, at its option, repair or replace the defective unit, without charge, for parts and labor. If Epson authorizes repair for the defective unit, you, at your own risk and expense, may deliver the defective unit to an Epson Authorized Servicer, if any. You must prepay all shipping charges and assume the risk of loss or damage in transit. If Epson authorizes replacement for the defective unit, you may return the defective unit to Epson or Epson’s Authorized Servicer, at your option, and a replacement unit will be shipped to you. You must keep the replacement unit for the remainder of the period of this warranty. If you do not keep the replacement unit, this warranty shall expire 60 days from the date of receipt of the replacement unit. Epson requires a debit or a credit card number to secure the cost of the replacement unit in the event that you fail to return the defective one. If Epson authorizes repair instead of exchange, Epson will direct you to return your product to an Epson or its authorized service center, where the product will be repaired and sent back to you. You are responsible for packing the product and for all postage and shipping costs to and from the Epson authorized service center. When warranty service involves the exchange of the product or part of it, the item replaced becomes Epson property. The exchanged product or part may be new or refurbished to the Epson standard of quality. If service cannot be provided on the product for any reason and Epson no longer sells the same model, Epson will replace your product with a model of equal or superior value. Replacement products or parts assume the remaining warranty period of the original product. If Epson replaces the lamp as part of the warranty service, the replacement lamp carries the limited 90-day warranty stated above.

What This Warranty Does Not Cover
This warranty covers only normal use in the United States, Canada, or Puerto Rico. This warranty does not cover the following:

- Excessive continual use
- Consumables such as filters
- Installation or removal
- Cosmetic damage caused by handling or normal wear and tear during usage
- Damage caused by failure to properly maintain the projector (see your online User’s Guide for details)
- Damage caused by interaction with non-Epson products, such as add-in cards or cables
- Any product resulting from misuse, abuse, improper installation, neglect, improper shipping, disasters such as fire, flood, and lightning, improper electrical current, software programs, exposure to chemical smoke, or excessive humidity
- Any problem resulting from service by other than Epson or an Epson Authorized Servicer
- Epson is not responsible for warranty service should the Epson label or logo or the rating label or serial number be removed. This warranty is not transferable. Epson is not responsible for your data or applications, which cannot be deleted and should be backed up by you. Postage, insurance, or shipping costs incurred in presenting your Epson product for out of warranty service are your responsibility. If a claimed defect cannot be identified or reproduced in service, you will be held responsible for costs incurred.

Disclaimer of other Warranties: The warranty and remedy provided above are exclusive and in lieu of all other EXPRESS OR IMPLIED WARRANTIES INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE. SOME LAWS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES. IF THESE LAWS APPLY, THEN ALL EXPRESS AND IMPLIED WARRANTIES ARE LIMITED TO THE WARRANTY PERIOD IDENTIFIED ABOVE. UNLESS STATED HEREIN, ANY STATEMENTS OR REPRESENTATIONS MADE BY ANY OTHER PERSON OR FIRM ARE VOID.

Exclusion of Damages: Epson’s maximum liability, in no event shall Epson or its affiliates be liable for any special, indirect, or consequential damages or any lost profits resulting from the use or inability to use the Epson product, whether resulting from breach of warranty or any other legal theory. IN NO EVENT SHALL EPSON OR ITS AFFILIATES BE LIABLE FOR DAMAGES OF ANY KIND IN EXCESS OF THE ORIGINAL RETAIL PURCHASE PRICE OF THE PRODUCT.

Exemption from Governing Laws: Any dispute, claim or controversy arising out of or relating to this warranty shall be determined by arbitration in Los Angeles County, California before a single arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. Any action must be brought within three months of the expiration of the warranty. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. To the extent any provision of this warranty is inconsistent with the laws of the State of California, except this arbitration clause which shall be construed in accordance with the Federal Arbitration Act.

Other Rights You May Have: This warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction. Some jurisdictions do not allow limitations on how long an implied warranty lasts, or allow the exclusion or limitation of incidental or consequential damages, to the above limitations or exclusions may not apply to you.

In Canada, warranties include both warranties and conditions.

To find the Epson Authorized Reseller nearest you, please visit www.epson.ca in the U.S. or www.epson.ca in Canada.
