1 **Unpack**

- Connect the power cable.
- Press the On button, then raise the control panel.
- Insert the cartridges in the holder for each color. Press the cartridges down until they click.
- Close the scanner.

**Caution:**
- Do not connect to your computer yet.
- Do not remove any other seals from the cartridges.
- Do not turn off the Artisan 700 Series while the ink system is initializing or you’ll waste ink.

2 **Turn on and adjust**

- Connect the control panel.
- Insert the cartridges in the holder for each color. Press the cartridges down until they click.
- Close the scanner.

3 **Install ink cartridges**

- Lift up the scanner.
- Unpack the ink cartridges.
- Remove only the yellow tape from each cartridge.
- Insert the cartridges in the holder for each color. Press the cartridges down until they click.
- Close the scanner.

**Warning:**
- Do not remove any other seals from the cartridges.
- Don’t turn off the Artisan 700 Series while the ink system is initializing or you’ll waste ink.

4 **Select language**

- Press OK.
- Press to select Printer Setup, then press OK.
- Press or to select Language, then press OK.
- Press or to select your language, then press OK.
- Press the Home button when done.

5 **Load paper**

- Pull out the paper cassette. Then slide back the photo tray and lift it up.
- Extend the output tray and flip up the stopper.

**Note:**
- If you need to change the language, press the Home button until Setup is selected.
- The paper cassette has 2 trays. The main tray is for letter-size, legal-size, or 8 x 10 inch paper. The photo tray is for 4 x 6- or 5 x 7-inch photo paper.
- Make sure the paper fits under the edge guide.
- Keep the cassette flat as you insert it.

**Canada only:** For French speakers, remove each sticker from the backing sheet and place next to the corresponding button on the control panel.

**Caution:**
- Do not open ink cartridge packages until you are ready to install the ink.
- Cartridges are vacuum packed to maintain reliability.
- If anything is missing, contact Epson as described on the back under “Any questions?”.
- Remove all protective materials.

**Note:**
- Make sure to remove all protective materials from inside the paper cassette.
- Don’t load paper before installing the ink cartridges.
- Don’t load paper with the glossy or printable side face-down.
- Don’t load paper with the glossy or printable side face-down.
- Ensure the paper is flat as you insert it.
- Make sure the photo tray is pushed in completely.
- Keep the paper flat as you insert it.
Canada only: For French speakers, remove each sticker from the backing sheet and place next to the corresponding button on the control panel.

Caution: Do not open ink cartridge packages until you are ready to install the ink. Cartridges are vacuum packed to maintain reliability. If anything is missing, contact Epson as described on the back under “Any questions?”.

Remove all protective materials.

Note: Make sure to remove all protective materials from inside the paper cassette.

1. Lift the scanner and remove the transportation lock.
2. Store the transportation lock as shown.
3. Close the scanner.

1. Connect the power cable.
   **Caution:** Do not connect to your computer yet.

2. Press the On button, then raise the control panel.

To lower the control panel, press the Unlock button.

**Caution:** To avoid damaging your Artisan 700 Series, always press the Unlock button to lower the control panel.

3. Unpack the ink cartridges.
4. Remove only the yellow tape from each cartridge.
   **Caution:** Don’t remove any other seals from the cartridges.

5. Insert the cartridges in the holder for each color. Press the cartridges down until they click.
6. Close the scanner.

Wait while ink charges. Charging takes about 5 minutes.

**Note:** Your Artisan 700 Series ships with full cartridges. Part of the ink from the first cartridges is used for priming the Artisan 700 Series. Replacement cartridges will print more pages.

**Caution:** Don’t turn off the Artisan 700 Series while the ink system is initializing or you’ll waste ink.

1. If you need to change the language, press the Home button until Setup is selected.
2. Press OK.

3. Press or to select Printer Setup, then press OK.
4. Press ▼ to select Language, then press OK.

5. Press or to select your language, then press OK.
6. Press the Home button when done.

Load paper

The paper cassette has 2 trays. The main tray is for letter-size, legal-size, or 8 x 10 inch paper. The photo tray is for 4 x 6- or 5 x 7-inch photo paper.

1. Pull out the paper cassette. Then slide back the photo tray and lift it up.
2. Squeeze the edge guides and slide them out. Then insert paper with the glossy or printable side face-down.
3. Slide the edge guides against the paper.

**Artisan 700 Series**

**Caution:** Don’t turn off the Artisan 700 Series while the ink system is initializing or you’ll waste ink.
Follow these steps to connect the Artisan 700 Series directly to your computer using a USB cable (not included).

## Windows

1. Make sure the Artisan 700 Series is NOT CONNECTED to your computer.

2. Insert the Artisan 700 Series software CD. With Windows Vista, if you see the AutoPlay window, click Run Epsetup.exe. When you see the User Account Control screen, click Continue.

3. Click Install and follow the on-screen instructions.

4. When you see this screen, select Install driver for direct USB connection and then click Next.

5. When prompted, connect a USB cable. Use any open USB port on your computer. Make sure the Artisan 700 Series is securely connected and turned on.

6. When you see this screen, select Install driver for direct USB connection and then click Next.

7. When you see this screen, click Add Printer. Follow the steps on the right side of the screen to add the Artisan 700 Series.

8. Click Next again, if necessary.

9. Follow the on-screen instructions to install the rest of the software and register your Artisan 700 Series. Be sure to register your Artisan 700 Series to receive these great benefits: 2-year limited warranty and 2-year toll-free customer support.*

10. When you're done, remove the CD. You're ready to go! Enjoy your Artisan 700 Series! See your Basics Guide or on-screen Epson Information Center for instructions.

## Macintosh®

1. Make sure the Artisan 700 Series is NOT CONNECTED to your computer.

2. Insert the Artisan 700 Series software CD.

3. Double-click the Epson icon.

4. Click Install and follow the on-screen instructions.

5. When you see this screen, select Install driver for direct USB connection and then click Next.

6. When prompted, connect a USB cable. Use any open USB port on your computer. Make sure the Artisan 700 Series is securely connected and turned on.

7. When you see this screen, click Add Printer. Follow the steps on the right side of the screen to add the Artisan 700 Series.

8. Click Next again, if necessary.

9. Follow the on-screen instructions to install the rest of the software and register your Artisan 700 Series. Be sure to register your Artisan 700 Series to receive these great benefits: 2-year limited warranty and 2-year toll-free customer support.*

10. When you're done, eject the CD. You're ready to go! Enjoy your Artisan 700 Series! See your Basics Guide or on-screen Epson Information Center.

Need paper and ink?

Try Epson premium papers with Claria ink for better than photo lab-quality results. For the right supplies at the right time, you can purchase them at Epson Supplies Central®** at www.epson.com/ink3 (U.S. sales) or www.epson.ca (Canadian sales). You can also purchase supplies from an Epson authorized reseller. To find the nearest one, call 800-GO-EPSON (800-463-7766).

**Genuine Epson Paper**

Epson offers a wide variety of papers to meet your needs; visit Epson Supplies Central for more information.

**Genuine Epson Inks**

Look for the numbers below to find the Artisan 700 Series. It’s as easy as remembering your number!
