1 Unpack

Canada only: For French speakers, remove the sticker from the backing sheet and place it on the right side of the control panel.

Caution: Do not open ink cartridge packages until you are ready to install the ink. Cartridges are vacuum packed to maintain reliability. If anything is missing, contact Epson as described on the back under “Any questions?”.

Remove all protective materials.

1 Raise the scanner and remove the transportation lock.

2 Store the transportation lock as shown.

3 Lower the scanner.

2 Turn on and adjust

1 Connect the power cable.

Caution: Do not connect to your computer yet.

2 Squeeze the edge guides and slide them out. Then insert paper with the glossy or printable side face-down.

3 Slide the edge guides against the paper.

4 Lower the photo tray.

5 Squeeze the edge guides and slide them out. Then insert 4 x 6-inch or 5 x 7-inch photo paper with the glossy or printable side face-down.

Note: Make sure the paper fits under the edge guides.

6 Slide the edge guides against the paper.

7 Keep the cassette flat as you insert it.

8 Extend the output tray and flip up the stopper.

3 Make settings

1 Select your language and country. Touch the screen to select the desired option. Press ▶ or ◀ to see more countries.

2 For the Daylight Saving Time setting, select Summer if your region uses Daylight Saving Time and it’s currently in effect. (DST is effective from spring through summer.) Otherwise, select Winter to turn off the setting. Press OK.

3 Select the date format.

4 Use the numeric keypad to set the date, then press OK.

5 Select the time format.

6 Use the numeric keypad to set the time.

7 Press OK when done.

Note: You can change the date and time settings by pressing the Home button, selecting Setup, selecting Printer Setup, then Date/Time.

4 Install ink cartridges

Note: Don’t load paper before installing the ink cartridges.

1 Raise the scanner.

2 Unpack the ink cartridges.

3 Remove only the yellow tape from each cartridge.

Caution: Don’t remove any other seals from the cartridges.

4 Insert the cartridges in the holder for each color. Press the cartridges down until they click.

5 Lower the scanner.

6 Wait while ink charges. Charging takes about 5 minutes.

Note: Your Artisan 800 Series ships with full cartridges. Part of the ink from the first cartridges is used for priming the Artisan 800 Series. Replacement cartridges will print more pages.

Caution: Don’t turn off the Artisan 800 Series while the ink system is initializing or you’ll waste ink.

5 Load paper

The paper cassette has 2 trays. The main tray is for letter-size, legal-size, or 8 x 10-inch paper. The photo tray is for 4 x 6- or 5 x 7-inch photo paper.

1 Pull out the paper cassette. Then slide back the photo tray and lift it up.
Installer les cartouches d'encre

1. Abaisser le scanner et retirer la sangle de transportation.

2. Enlever seulement la bande jaune de chaque cartouche.

   **Précaution :** Ne retirez pas d'autres scellés des cartouches.

3. Insérer les cartouches dans l'habile correspondant à chaque couleur. Appuyer sur les cartouches jusqu'à ce qu’ils cliquent.

4. Abaisser le scanner.

5. Attendez que l’encre soit chargée. La charge d’encre prend environ 5 minutes.

   **Remarque :** Votre série Artisan 800 est expédiée avec des cartouches d’encre pleines. Une petite partie de l’encre des premières cartouches est utilisée pour l’hydratation du système d’encre. Les cartouches de remplacement impriment de plus en plus de pages.

   **Précaution :** Ne mettez pas l’Artisan 800 Series hors tension pendant que le système d’encre est en cours de mise en service, sinon vous gaspillez de l’encre.

Start Here

1. Démarrage

2. Connecter le câble d’alimentation.

   **Précaution :** Ne connectez pas l’appareil à votre ordinateur encore.

3. Tout mettre sous tension et ajuster

4. Chargement de support

   La cassette a 2 plateaux. Le plateau principal est pour les supports de lettre, deLegal ou de 8 x 10 inches. Le plateau photo est pour les supports photo de 4 x 6 ou 5 x 7 inches.

   1. Retirer la cassette de support. Pousser le plateau photo vers l’arrière et le soulever.

   2. Serrer les guides et glisser-les. Insérer le support avec le côté brillant ou imprimable face en bas.

   3. Glisser les guides contre le support.

   4. Abaisser le plateau photo.

   5. Serrer le plateau photo.

   6. Continuer à insérer le support de cette manière jusqu’à ce qu’il soit bien dans le plateau.

   **Remarque :** Assurez-vous que le support est bien sous les guides.

   7. Ouvert la sortie en prolongeant et abaisser le stopper.

Printer Setup

1. Sélectionner la langue et le pays.

   Toucher l’écran pour sélectionner l’option souhaitée. Appuyer sur ou pour voir plus de pays.

2. Pour le paramètre de l’heure d’été, sélectionnez Somme pour votre région utilise l’heure d’été et en est en effet en vigueur. (DST est effectif de printemps à l’été.) Sinon, sélectionnez Hiver pour désactiver le paramètre.

   Appuyer sur OK.

3. Sélectionner le format de date.

4. Utiliser le clavier numérique pour définir la date, puis appuyer sur OK.

5. Sélectionner le format d’heure.

6. Utiliser le clavier numérique pour définir l’heure.

7. Appuyer sur OK lorsque fini.

   **Remarque :** Vous pouvez changer la date et l’heure en appuyant sur le bouton Home, en sélectionnant Setup, en sélectionnant Printer Setup, puis Date/Time.
1 **Unpack**

- Connect the power cable.

**Caution:** Do not connect to your computer yet.

**Canada only:** For French speakers, remove the sticker from the backing sheet and place it on the right side of the control panel.

**Caution:** Do not open ink cartridge packages until you are ready to install the ink. Cartridges are vacuum-packed to maintain reliability. If anything is missing, contact Epson as described on the back under “Any questions?”.

Remove all protective materials.

1 Raise the scanner and remove the transportation lock.

2 Store the transportation lock as shown.

3 Lower the scanner.

2 **Make settings**

1 Select your language and country. Touch the screen to select the desired option. Press ▼ or ▲ to see more countries.

2 For the Daylight Saving Time setting, select Summer if your region uses Daylight Saving Time and it’s currently in effect. (DST is effective from spring through summer.) Otherwise, select Winter to turn off the setting. Press OK.

3 Select the date format.

4 Use the numeric keypad to set the date, then press OK.

5 Select the time format.

6 Use the numeric keypad to set the time.

7 Press OK when done.

**Note:** You can change the date and time settings by pressing the Home button, selecting Setup, selecting Printer Setup, then Date/Time.

3 **Install ink cartridges**

1 Raise the scanner.

2 Unpack the ink cartridges.

3 Remove only the yellow tape from each cartridge. **Caution:** Don’t remove any other seals from the cartridges.

4 Insert the cartridges in the holder for each color. Press the cartridges down until they click.

5 Lower the scanner.

6 Wait while ink charges. Charging takes about 5 minutes. **Note:** Your Artisan 800 Series ships with full cartridges. Part of the ink from the first cartridges is used for priming the Artisan 800 Series.    - Extend the output tray and flip up the stopper.
Connect the phone cord
To use the Artisan 800 Series for faxing, connect the included phone cord from a telephone wall jack to the LINE port on the Artisan 800 Series. To connect a telephone or answering machine, see the Basics Guide for instructions.

Note: If you're connecting to a DSL phone line, you must use a DSL filter or you won't be able to fax. Contact your DSL provider for the necessary filter.

Choose your connection
Network (wireless or wired)
See your Network Installation Guide. You can't install your software as described below.

USB connection
Make sure you have a USB cable (not included). Then follow the steps below.

USB connection
Follow these steps to connect the Artisan 800 Series directly to your computer using a USB cable (not included).

Windows
1. Make sure the Artisan 800 Series is NOT CONNECTED to your computer.

   Note: If you see a Found New Hardware screen, click Cancel and disconnect the USB cable. You can't install your software that way.

2. Insert the Artisan 800 Series software CD.

3. Double-click the Epson icon.

4. Click Install and follow the on-screen instructions.

5. When you see this screen, select Install driver for direct USB connection and then click Next.

Macintosh®
1. Make sure the Artisan 800 Series is NOT CONNECTED to your computer.

6. When prompted, connect a USB cable. Use any open USB port on your computer. Make sure the Artisan 800 Series is securely connected and turned on.

Mac OS X 10.5 users: skip to step 9. Other users: continue with step 7.

7. When you see this screen, click Add Printer. Follow the steps on the right side of the screen to add the Artisan 800 Series.

8. Click Next again, if necessary.

9. Follow the on-screen instructions to install the rest of the software and register your Artisan 800 Series.

Be sure to register your Artisan 800 Series to receive these great benefits:
- 2-year limited warranty and 2-year toll-free customer support* for installation that doesn't continue after a moment, make sure you securely connected the USB cable and turned on the Artisan 800 Series.

10. When you're done, eject the CD.

You're ready to go! Enjoy your Artisan 800 Series! See your Basics Guide or on-screen Epson Information Center for instructions.

Need paper and ink?
Try Epson premium papers with Claria® ink for better than lab quality results. For the right supplies at the right time, you can purchase them at Epson Supplies Central™ at epson.com/ink3 (U.S. sales) or www.epson.ca (Canadian sales). You can also purchase supplies from an Epson authorized dealer. To find the nearest one, call 800-GO-EPSON (800-463-7766).

Genuine Epson Paper
Epson offers a wide variety of papers to meet your needs; visit Epson Supplies Central for more information.

Ultra Premium Photo Paper Glossy
Instant-drying gloss paper for long-lasting photos, suitable for framing.

Genuine Epson Inks
Look for the numbers below to find your cartridges. It’s as easy as remembering your number!

Ink Cartridges for Artisan® 800
Cut out the card to the right and keep it with you when purchasing replacement ink cartridges.

Color | Standard capacity | High capacity
--- | --- | ---
| Black | 98 | 98 |
| Cyan | 98 | 98 |
| Magenta | 98 | 98 |
| Yellow | 98 | 98 |
| Light Magenta | 98 | 98 |
| Light Cyan | 98 | 98 |

Note: If your limited warranty on all purchases, 2-year toll-free support and second year warranty requires registration within 60 days of purchase. For California and Quebec residents, failure to submit this product registration form does not diminish your warranty rights.
