

EPSON®

PRINT ADAPTER

Bluetooth™

A brilliant breakthrough in cable-free printing

With this state-of-the-art wireless communication tool, you can now use many Epson ink jet printers to print from a PDA, laptop or PC, without clumsy cables or connections. Innovative and affordable, the **Bluetooth™** print adapter from Epson provides a practical printing solution using **Bluetooth** wireless technology, a revolutionary technology that's fast becoming the industry standard in cable-free communication. Intelligent devices that can include **Bluetooth** technology are PDAs, cellular phones, digital cameras and computers.

Key Features

Cable-free print communications

- Convenient, wireless communications via short-range radio frequency technology

Superior connectivity

- Compatible with multiple computing devices including laptop computers and PDAs

Economically priced

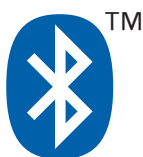

- Affordable and easily accessible to a wide range of consumers

Easy installation and operation

- Just connect it to the parallel port of a compatible Epson printer and plug in the AC adapter. The printer will then be "discovered" via your computer's **Bluetooth** discovery function

Legendary reliability and support

- One year limited warranty in the U.S. and Canada

EPSON

PRINT ADAPTER

Bluetooth™

Specifications

Dimensions (WxDxH)

2.5" (6.4 cm) x 1" (2.5 cm) x 4.4" (11.2 cm)

Weight

2.8 oz

Interface

36-pin male IEEE-1284B output Parallel port (with automatic ECP selection)
Fast strobe, SWIO, and ACKH modes
(Plugs directly into the printer's Parallel port; no cabling required)

Buttons and Indicators

Test/Reset button
Link and status test LEDs

Power

115V AC external power supply
400 mA

Performance

Nominal 1 Mbps link; actual throughput up to 721 Kbps

Protocols

Support for **Bluetooth** serial port profile using L2CAP, RFCOMM, and SDP
(Sending device must support printing using the serial port profile)

Hardware Specifications

Texas Instruments® Typhoon (BSN 6030) and Twister (TRF6001)

Bluetooth chip set

20 Mhz Motorola 68LC302 CPU
512K RAM
1 MB Flash ROM (for field upgrades)

Reliability

MTBF – over 100,000 POH

Topologies

Point-to-point and multipoint communication
(Limited support for multiple laptop computers using the same printers)

System Requirements

Microsoft® Windows® 98, 2000 and XP operating systems, Palm OS*,
and Pocket PC OS Compatible **Bluetooth** interface

Printers Supported

EPSON Stylus® C60/C80/EPSON Stylus Photo 820/890/1280
Other Epson printers supported using Microsoft Windows
Uni/Mini printer drivers

Regulatory Requirements

UL, CSA, CE, FCC Class B

Certification

Bluetooth V1.1 qualified

Part Number

C1200BT

Warranty

One year limited in the U.S. and Canada

* EPSON Stylus C80 only
