* Black pages per minute based on text memo in Economy Mode on plain paper. Color pages per minute based on color text in Draft Mode on plain paper. Additional processing time will vary based on system configuration, software application and page complexity.

** We recommend that you use genuine Epson cartridges. The use of other products may affect your print quality and could result in printer damage. See www.epson.com for more cartridge information. Yields vary considerably based on images printed, print settings, paper type, frequency of use, and temperature. The printer ships with full cartridges and part of the ink from the first cartridge is used for priming the printer.
