

All-in-One CX9400Fax

Print | Copy | Scan | Photo | Fax

Every feature
you want.
Every function
you need.

Features/Benefits

- Print black-and-white or color text up to 32 ppm* with DX3™ print head technology
- Print documents that last — prints resist fading up to six times longer than leading competitive prints**
- Make multiple color copies effortlessly with one-touch copying; reduce and enlarge copies 25 to 400 percent
- Fax, copy or scan documents in seconds with built-in, high-speed fax and 30-page Automatic Document Feeder
- Archive documents and photos with high quality scanning
- Get smudge resistant, double-sided documents and truly touchable photos with instant-drying DURABrite® Ultra Ink
- Select, copy and print photos, PC-free, with large, 2.5-inch, tilt LCD and simple, intuitive menus
- Replace only the color that you need with individual ink cartridges

IC/CS03 (Canada)

Power Requirements

Rated voltage: 100 – 120 VAC
Rated frequency: 50 – 60 Hz
Rated current: 0.6 Amp

Power Consumption

Approx. 13 W ISO 10561 (Standalone
copy printing)
Approx. 3.0 W (Standby Mode)
ENERGY STAR compliant

Warranty

One-year limited in the U.S. and Canada

* Pages/copies per minute (ppm/cpm) speeds measured after first page, based on black and color text patterns in Draft Mode on plain paper. Color photo in Draft Mode on Premium Photo Paper Glossy measured from start of paper feed. Additional print time will vary based on system configuration, software application and page complexity. See www.epson.com/printspeed for more information about print speeds.

** Ink lightfastness ratings are based on accelerated testing of prints on specialty media, displayed indoors, under glass; claim that documents resist fading up to six times longer is based on accelerated testing of unframed color prints on plain paper in indoor display conditions. Actual print stability will vary according to media, printed image, display conditions, light intensity, humidity and atmospheric conditions. Epson does not guarantee the longevity of prints. For maximum print life, display all prints under glass or properly store them. Visit www.wilhelm-research.com for the latest information.

† Not available when printing using Mac OS X

†† We recommend that you use genuine Epson ink cartridges. The use of other products may affect your print quality and could result in all-in-one damage. Cartridge yields vary considerably based on images printed, print settings, paper type, frequency of use and temperature. For print quality, a small amount of ink remains in the cartridge after the "Replace cartridge" indicator comes on. See www.epson.com/cartridgeinfo for more information about cartridges.

††† Adapter required

Packaging Specifications

Epson Stylus CX9400Fax

Single Carton Dimensions 21.1" x 18.7" x 11.7" (W x D x H)
