## Customer Sign-off

### Important:

- If any of the installation requirements outlined in this survey are not in place at the time of delivery/installation, Epson reserves the right to bill for additional charges required to meet the installation requirements or caused by the delay. Incomplete site preparation could also result in delays in completing your installation.
- If there are any additional installation requirements, such as rigging or a crane, there may be additional charges required. These charges will be provided prior to the approval of the site survey and final quote.
- During installation, we require those who will be on-site to follow appropriate social distancing guidelines. Additionally, we require that masks be worn by anyone who will be in contact with the installers/technicians.

If there are any concerns or issues, please describe in detail below:

After completing the survey, sign below. By signing, customer agrees that all information in this site survey is as accurate as possible and the required photographs will be included.
