1 Unpack

- French control panel stickers (included for Canada only)
- Power cord

Caution: Do not open ink cartridge packages until you are ready to install the ink. Cartridges are vacuum packed to maintain reliability. Remove all protective materials.

2 Turn on

1 Connect the power cable.

Caution: Do not connect to your computer yet.

2 Press the On button.

3 Select language

1 To select English as your language, press \( \text{Start} \).

Caution: If you want to change the language, press \( \downarrow \) or \( \uparrow \) to select it, then press \( \text{Start} \).

4 Install ink cartridges

Note: Do not load paper yet.

1 Lift up the scanner, then open the cartridge cover.

2 Shake the ink cartridges gently 4 or 5 times, then unpack them.

3 Remove only the yellow tape from each cartridge.

Caution: Don’t remove any other seals or the cartridges may leak.

4 Insert the cartridges in the holder for each color.

5 Press each cartridge down until it clicks.

6 Close the cartridge cover. Press down until it clicks.

7 Lower the scanner.

8 Press the \( \text{Start} \) button to charge the ink.

Priming takes about 2 minutes.

Note: Your printer ships with full cartridges and part of the ink from the first cartridges is used for priming the printer.

Caution: Don’t turn off the printer while it is priming or you’ll waste ink.

5 Load paper

1 Open the paper support and pull up the extensions.

2 Open the output tray, pull out the extensions, and raise the stopper.

3 Squeeze the edge as you slide it all the way to the left.

4 Load letter or A4-size paper against the right edge and behind the tab, with the printable side face up.

5 Slide the edge guide over.

Continue with section 6 to choose your connection type.

Choose your connection

You can connect your printer to your existing network wirelessly or directly to your computer using a USB cable (not included). See below for details on each connection method.

Wireless Connection

You will need to install the software on every computer that will print to the printer. Temporary use of a USB cable (not included) is recommended for the first installation only. After the printer is connected to the network, you will be prompted to remove the USB cable.

If you’re using Mac OS® X 10.6 or don’t have a USB cable, you can use the buttons on the printer to select wireless settings instead.

Make sure you know your network name (SSID) and network password:

• Network name
• Network password

If you don’t have this information, contact the person who set up your network.

Direct USB Connection

Make sure you have a USB cable (not included). Do not connect the printer to your computer until you are instructed to do so.

Install software

1. Make sure the printer is NOT CONNECTED to your computer.

Windows®: If you see a Found New Hardware screen, click Cancel and disconnect the USB cable. You can’t install your software that way.

2. Insert the NX420 Series software CD.

Windows®: If you see the AutoPlay window, click Run Setup.exe. If you see the User Account Control screen, click Yes or Continue.

Macintosh™: Double-click the Epson icon, if necessary.

Any problems?

If you experience problems during setup, see below:

Network setup was unsuccessful.

• Make sure you select the right network name.

• If your network has security enabled, make sure you enter your network password (WEP key or WPA passphrase) correctly. If it has uppercase (ABC) or lowercase (abc) letters, make sure you enter them correctly.

On-screen help with your software

Select Help or ? when you’re using your software.

Epson Technical Support

Visit epson.com/support where you can download drivers, view manuals, get FAQs, or e-mail Epson.

You may also speak with a support specialist by calling (562) 273-4382 (U.S.) or (905) 709-3839 (Canada), 6 AM to 6 PM, Pacific Time, Monday through Friday. Days and hours of support are subject to change without notice. Toll or long distance charges may apply.

Need paper and ink?

Try Epson paper with DURABrite® Ultra Ink for professional results. For the right supplies at the right time, you can purchase them at Epson Supplies Central or call 800-GO-EPSON (800-463-7766). You can also purchase supplies from an Epson authorized reseller. To find the nearest one, call 800-GO-EPSON (800-463-7766).

Make sure it is securely connected as shown:
