

# EPSON®

## THE PERFECT PRINT PARTNER FOR MEMORY STICK® USERS.

Here's good news for Sony® Memory Stick fans: now there's a 6-color, 1440 x 720 dpi print partner that's perfect for your Memory Stick applications. The EPSON Stylus Photo 875DCS ink jet printer is uniquely suited to Sony digital media products like cameras and camcorders. With a built-in digital PCMCIA card reader and included Memory Stick adapter, it's compatible with virtually any Sony digital lifestyle product.

Fast print speeds and Epson's exclusive continuous edge-to-edge snapshot printing create prints in a flash. The printer includes a roll paper holder and EPSON Photo Roll Paper. And, with included Adobe PhotoDeluxe 4.0 and Sierra Imaging Image Expert software, the EPSON Stylus Photo 875DCS makes it quick and easy to go from digital image capture to captivating photo printing.

The EPSON Stylus Photo 875DCS ink jet delivers unmatched Photo Quality output by combining advanced Micro Piezo™ technology, smooth AcuPhoto Halftoning™ and 6-color, quick-drying Photo Inks. Tiny, 4 picoliter ink droplets vary in size automatically to render fine detail and dazzling highlights in a wide range of colors and tones. Finally, laser sharp black text makes the EPSON Stylus Photo 875DCS a smart, all-around winner for any printing task.

The EPSON Stylus Photo 875DCS ink jet printer is compatible with USB Windows® and Macintosh® systems. Whether you're transferring data, printing snapshots, creating personalized greeting cards or bigger-than-life panoramics, Epson makes it easier than ever to enjoy the digital lifestyle.

## EPSON Stylus® Photo 875DCS Ink Jet Printer

### FEATURES

- **Memory Stick adapter card included**
- **1440 x 720 dpi, 6-color Photo Quality printing**
- **Epson's exclusive continuous edge-to-edge snapshots**
- **Fast, photo-realistic prints**
- **4 picoliter Variable Sized Droplet technology**
- **Convenient auto launching software**
- **Macintosh and Windows compatibility**

### BENEFITS

- Built-in Type II PCMCIA card reader offers compatibility and effortless access to Sony digital lifestyle products.
- Produces virtually continuous tone, super smooth gradations. True black ink for photo and text printing.
- Includes roll paper and roll paper holder for quick and easy borderless snapshots.
- Optimized photo print speeds yield a color 4" x 6" in 48 seconds, 8" x 10" in just 1 minute 50 seconds.
- Droplet sizes vary for fine detail, dazzling highlights and better fill in solid areas.
- Simple, easy digital file transfer from your Memory Stick.
- Built-in USB interface.
