

**Take great shots right to the edge!**

## Product Summary

Feature	Customer advantage
Incredible image quality	EPSON core technologies produces prints that are virtually indistinguishable from 35mm photo lab prints (when using genuine EPSON photo inks and EPSON photo papers). New 2880 x 720 dpi print resolution <sup>1</sup> creates sharper detail.
BorderFree™ photo printing	EPSON's new BorderFree printing prints to all four sides of 4 x 6 inch, 5 x 7 inch, and letter size media – no trimming or perforations to tear!
Fast text and photo speeds	Prints a 4 x 6 inch color photo in just 48 seconds and black text at approximately 9 ppm.
Water-resistant and lightfast <sup>2</sup> media	Produces water-resistant prints on EPSON Premium Glossy Photo Paper and EPSON Photo Paper, and improved lightfastness for framed prints using EPSON Matte Paper—Heavyweight.

- Black ink cartridge, Product Code **T007201**
- Five-color ink cartridge, Product Code **T008201**

<sup>1</sup> On EPSON Photo Paper, EPSON Premium photo papers, and EPSON Photo Quality Glossy Film.

<sup>2</sup> Lightfastness rated up to 20 years, based on accelerated testing of prints on EPSON Matte paper—Heavyweight, displayed indoors, under glass. Actual print stability will vary according to image, display conditions, light intensity, humidity, and atmospheric conditions. EPSON does not guarantee longevity of prints. For maximum print life, display all prints under lase or laminations or properly store them.
