The PowerLite 1915 even makes it easy to broadcast customized images or announcements over the network.

**Brilliant detail** — native XGA (1024 x 768) resolution and up to 2000:1 contrast ratio

**Incredible image quality, anytime, day or night** — 4000 lumens color light output, 4000 lumens white light output
The best-selling projectors in the world.

Epson offers a wide range of high-quality projectors to meet almost any need. Built with image quality and reliability in mind, Epson projectors enhance communication and inspire collaboration, while offering a low total cost of ownership. From ultra-portable projectors designed for educational settings to boardroom-ready business projectors, Epson has the model made for you.

3LCD technology — for quality and color that’s beyond amazing

Innovative technology with proven reliability
- 3 chips for full-time, vibrant color
- 25% less electricity required per lumen of brightness when compared to 1-chip DLP projectors2
- Road-tested reliability from a company with over 20 years of experience

Amazing light output
- 4000 lumens color light output and 4000 lumens white light output1
- High color light output for bright, balanced, colorful images
- White light output that’s measured using ISO 21118 (a more rigid standard than the outdated ANSI lumens rating used by competitive products)

Actual photographs of images taken from two competing projectors run in default mode. Price, resolution and brightness (white light output) are the same for both projectors.

Energy-efficient E-TORL® lamp, exclusively from Epson
- Delivers more lumens per watt and lasts up to 3500 hours3
- Minimizes both light diffraction and light leakage
- E-TORL lamps maximize your presentation time, while minimizing your costs

Eco features
- Energy-efficient 3LCD light engine
- Energy-efficient E-TORL lamp
- Designed to be recycled4
- RoHS compliant
