

EPSON PowerLite® 30c

The Perfect Partner for Work and Play!

With the EPSON PowerLite 30c, you can get rich Epson image quality both at home and in the office.

This projector can deliver your next business presentation, then be taken home for big-screen entertainment including video games, movies, and more. Its easy-to-use cinema filter enhances movie images in the dark for an authentic theater feeling.

Designed to fit most any presentation style, this 6.4 lb projector offers SVGA resolution, and a sharp 400:1 contrast ratio. With EPSON 0.5" LCD technology, it provides many of the benefits of larger, more expensive projectors in a convenient, lightweight unit.

Not only is the PowerLite 30c easy to transport, but it's ready to use right out of the box. A simple control panel makes it easy to operate, while its corresponding remote control offers presentation flexibility. With its attractive pricing and feature set, this ultraportable is perfect for all your projection needs.

The EPSON PowerLite 30c is backed by unbeatable service and support, including a comprehensive one-year warranty and access to person-to-person toll-free technical support. Every EPSON PowerLite projector has met stringent quality control standards from the design table to the shipping dock, to ensure the highest degree of performance. And, experienced professionals who service and sell multimedia projectors choose Epson 5:1 as the most reliable.
