

EPSON PowerLite® 7800p

Portability with a twist

Weighing just 12.1 lb, the EPSON PowerLite 7800p provides remarkable power and an expansive feature set. This high-performance portable boasts 3500 ANSI lumens, XGA resolution, and a 700:1 contrast ratio for brilliant image quality. In addition, state-of-the-art EasyManagement™ technology offers out-of-the-box networking capabilities. IS personnel will appreciate its easy network monitoring, maintenance and control.

A versatile performer, the EPSON PowerLite 7800p includes monitor out capability, extraordinary video performance, and a preview function for easy switching between sources. Bright enough for installation, and light enough to carry, this model also offers vertical and horizontal keystone correction, QuickCorner image correction, and WallShot for color correction.

Convenient networking capability with EasyManagement technology

- Built-in Ethernet port
- Projector monitoring, maintenance and control over the LAN
 - Check power status, lamp hours, etc.
 - Turn the projector on and off remotely
- Simple Network Management Protocol (SNMP)–for easy network management
- Email notification via SMTP to alert issues related to temperature, fan and lamp

Ultra bright 3500 lumens, weighs only 12.1 lb

Remarkable brightness that's great for classrooms or conference rooms

Superior detail and razor-sharp contrast

- Three 1.0" EPSON high-aperture LCDs for evenly distributed color across the screen
- XGA (1024 x 768) resolution for sharp, vivid detail
- 700:1 contrast ratio for blacker blacks and whiter whites

Easy installation, setup and operation

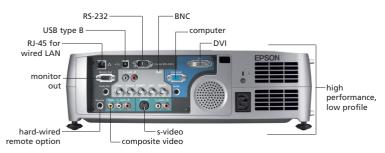

- Multiple lens options
- Image corrections tools for flexible setup and installation
 - Keystone (40° vertical, 20° horizontal)
 - QuickCorner for aligning images projected on a corner
 - WallShot for color correction on a colored surface
- Short throw distance (5.25'/60") for placement closer to the screen

- Preview function with seven convenient SnapWindows[™]
- Monitor out capability for simultaneous viewing on a monitor and screen
- Easy-to-use remote control/control panel
 - Manage the setup and installation process, picture-in-picture capability, and more
 - Operate multiple projectors simultaneously
- ASCII-based RS-232 communication
- Various inputs including D-Sub15, BNC, DVI, S-Video, and Video
- Low fan noise for undisturbed presentations
- Security function that protects your projector
- Start Here Kit gets first time users projecting in just minutes

Renowned EPSON service and support (free for the duration of the warranty)

- Comprehensive two-year warranty
- 90-day bulb warranty for added dependability
- EPSON Road Service Program provides a replacement projector, typically within 24 hours
- EPSON PrivateLine^{5M} dedicated toll-free support line available from 6 a.m. to 6 p.m. PST Monday – Friday (Calls are answered live, typically in about a minute.)
- International warranty in over 45 countries
