

The affordable EPSON Stylus® C42UX

provides a convenient home printing solution with its user-friendly interface and fast operation, plus 2880 x 720 optimized dpi using RPM.

Designed with legendary Epson reliability, this durable performer speeds through each job, delivering black text at up to 12 ppm and color text and graphics at up to 5.5 ppm, so users won't be waiting

around for their documents to print. Best of all, it offers an intuitive interface for simple setup and control. It even offers USB connectivity for easy installation on most Windows and Macintosh systems. And, its compact size means it won't take up valuable space on a crowded desk or countertop.

This versatile printer works with a multitude of papers, and comes with one black and one tri-color ink cartridge featuring quick-drying, smudge-proof inks. With EPSON Micro Piezo® ink jet technology and tiny 6-picoliter ink droplets, it consistently delivers vivid, 4-color, Photo Quality results. When printing from the web, it modifies low-resolution photos for optimum image quality.

Simple and economical, the EPSON Stylus C42UX makes it possible for anyone in the family to print high-quality web pages, photos and more.

Key Features

2880 x 720 optimized dpi using Resolution Performance Management™ (RPM™)

- Optimizes the number and placement of three droplet sizes on a grid up to 2880 x 720 dpi on various media
- Uses manageable file sizes
- Yields superior photo quality and performance

Ultra fast print speeds

- Prints black text at up to 12 ppm*

USB connectivity

- Facilitates fast, simple setup on both Windows® and Macintosh® systems

Easy-to-use, plug-and-play operation

- Includes two-button control panel and user-friendly interface that makes operation and maintenance a snap

Ink cartridges included

- One black and one tri-color ink cartridge featuring quick-drying inks that won't smudge or bleed

Free paper pack

- EPSON media pack containing Photo Quality Ink Jet paper and Glossy Photo Paper
