

EPSON®

A BRILLIANT COMBINATION OF STYLE AND PERFORMANCE

From its unique exterior to its state-of-the-art design, the EPSON Stylus Color 8³ (eight cubed) provides the perfect combination of style and performance. Fast and whisper-quiet, this revolutionary ink jet offers phenomenal 2880 dpi resolution and a stylish printer case made to match your Apple Power Mac G4 Cube.

But it's what this printer delivers that makes the combination complete. With spectacular resolution and superfine, barely visible, 4-picoliter ink droplets, it produces the most outstanding Photo Quality output in its class. Best of all, it speeds through each task, shooting out black text at up to 12 ppm and color graphics and text at up to 9 ppm.

A high performance ink jet, the EPSON Stylus Color 8³ creates commanding presentations, color photos, greeting cards, and more. EPSON Perfect Picture Printing is key to its success with award-winning Micro Piezo ink jet technology, smooth AcuPhoto Halftoning and convenient, quick-drying inks. Plus, a remarkably quiet print engine makes it one of our quietest ink jets ever.

Ideal for your home, school, or office, the EPSON Stylus Color 8³ delivers incredible results, quickly and quietly. With USB and parallel connectivity, it's as easy to set up as it is to operate. And, it's a perfect match for the stunning G4 Cube. Get style, performance, and show-stopping color output—from the EPSON Stylus Color 8³.

EPSON Stylus® Color 8³ Ink Jet Printer

FEATURES

BENEFITS

- | | |
|---|---|
