B. Plan Fee

The fee for each Plan is payable in full before it will be activated. Customer is responsible for any taxes arising from the Service provided under this Agreement.

See Section F for cancellation details and the applicability of a refund.

C. Eligibility

This Plan is offered to and intended only for Epson's commercial customers. It is purchasable exclusively for products that are not covered by the Epson limited warranty or an extended service plan. The Product must pass a virtual product inspection (VPI) and be registered to and connected to the Epson Cloud Solution PORT system to be eligible for coverage. The Plan is only available in the United States, Canada, or Puerto Rico. Customer must be prepared to submit proof of original purchase for the Product.

Customer may purchase service plans covering up to four (4) years on a year-to-year basis, or any combination thereof. Total coverage, including the original limited warranty and service plan(s), for a single Product serial number cannot exceed five (5) years from the initial Product purchase date. This Plan is not available for purchase for products that exceed the Use Limits which can be viewed on a status sheet printout and/or on the control panel display.

Service coverage options may be available for Epson products that have exceeded their Use Limits (as listed in the table at the end of this Plan) or are older than five (5) years. Please contact Epson at (888) 377-6611 or (888) 688-0809 (SureColor G-Series only) to discuss alternative service options. At Epson's discretion, products that have exceeded their Use Limits or are older than five (5) years, may become eligible for service coverage if they pass an operational inspection (inspection fees apply). Nonoperational products may become eligible for service coverage if they pass an operational inspection after they have been repaired at Epson's time and material rates. Repair estimates are available at Epson's time and materials rates. Please contact Epson regarding eligibility questions.

Note: The Product requires certain Epson software that Customer must download to Customer's computers to operate the Product. Additional services are available that require the Product to be connected to the Internet and enabled to communicate with Epson servers. This will allow Epson to collect and maintain usage information for purposes of facilitating service to Customer and to improve the performance of Epson printers. To use such Epson services, Customer must authorize Epson to collect such information for these purposes. Epson's printer software will require Customer's agreement to Epson's End User License Agreement. Certain Epson services will require Customer's agreement to Epson's Terms of Use, which will govern Customer's use of those services. Please review Epson's privacy policy provided to Customer to understand how Epson collects, processes, uses, and stores certain information relative to the Epson service and related software. Epson's privacy policy is available at <https://epson.com/privacy-policy> in the United States or <https://epson.ca/privacy-policy> in Canada.

D. How to Obtain Service

1. Call toll-free (888) 377-6611 or (888) 688-0809 (SureColor G-Series only) between the hours of 7:00 a.m. and 4:00 p.m., Pacific Time, Monday through Friday. Support hours are subject to change without notice.
2. Customer will be asked to provide Epson with the model and serial number of the Product, the address where it is located, and a description of the problem.

E. Service and Limitations

Service described in this Agreement is separate from the limited warranty provided at the time of the Product's original purchase. This Agreement does not modify the terms and conditions of that limited warranty.

1. **What is Covered:** At its sole discretion, Epson agrees to provide Service if the Product becomes inoperable or unable to perform according to Epson specifications due to defects in workmanship or materials during the Term of the Plan. Each Plan, if used in the United States, Canada, or Puerto Rico, provides coverage for either the Term of the Plan, or until the Product has exceeded the Use Limits, whichever occurs first. No other coverage is included. This Agreement covers only hardware and mechanical failures related to the parts and components of the Product.

2. **What Epson Will Do to Correct Problems:** Should the Product become inoperable or unable to perform its function according to Epson specifications during the Term of the Plan and before it has reached the Use Limits (whichever occurs first), an Epson technician will work with Customer to resolve the problem and determine whether the Product requires hardware service. If so, at Epson's sole discretion, on-site repair will be used.
3. **On-Site:** If Epson determines a covered hardware defect requires repair, and the Product is within Epson's on-site service territory, an Epson-trained technician will repair the Product at Customer's facility. Epson will usually dispatch repair parts and a technician to the Product's location for the next business day if Epson determines repair is required prior to 1:00 p.m., Pacific Time. An adult must be available to accept the shipment and be present at all times while the technician is on-site. If Epson's determination is made after 1:00 p.m., Pacific Time, dispatch may be delayed an additional day. Service may also be delayed if Customer's facility is outside major metropolitan areas or is not located in the contiguous United States.
 - a. **Service Parts:** Epson's shipment of service parts does not imply that replacement is required. When service involves the exchange of parts, the items/parts replaced become the property of Epson. Replacement items assume the remaining Term of the Plan of the original Product. Replacement parts may be new or remanufactured to Epson standards.
4. **What This Plan Does Not Cover**
 - a. Damage caused by improper self-service or printhead replacement.
 - b. Customer is responsible for purchasing and replacing printheads.
 - a. Any damage caused by misuse, abuse, improper installation, or neglect; improper packaging or shipping; disasters such as fire, flood, or lightning; improper electrical currents, software problems, or interaction with non-Epson products.
 - b. Any damage caused by using inks or ink delivery systems other than the Epson ink system for which the Product was designed.
 - c. Any damage caused by using non-Epson media (unless the media was expressly recommended by Epson).
 - d. Loss of data.
 - e. Any damage, maintenance, or service arising from excessive or continuous use.
 - f. Any damage caused by, or any service for, third-party software, applications, parts, components, or peripheral devices added to the Product after its shipment from Epson, e.g., dealer- or user-added boards, components, or cables.
 - g. Any damage caused by installing the Product next to a heat source or directly in the path of an air vent or air conditioner.
 - h. Service outside the United States, Canada, or Puerto Rico.
 - i. Service if the Product label, logo, rating label, or serial number has been removed.
 - j. Any damage from service performed by anyone other than an Epson-authorized servicer.
 - k. Any service or replacement of consumable items or maintenance consumables such as ink cartridges, ink supply units, ink packs, pick-up rollers, ADF rollers, etc.
 - l. Any cosmetic damage or wear to Product casings or covers.
 - m. Accessories, paint, or refinishing of the Product.

- n. Any color change or fading of printed media, or reimbursement of materials or services required for reprinting.
- o. Any product or parts purchased as used, refurbished, or reconditioned.
- p. Any damage caused by using improper packaging materials or improper packing and shipping when returning a Product for repair or replacement. Customer will be invoiced for such shipping damages to the Product.
- q. Any problem or damage from Customer's failure to procure, install, or have maintenance performed on equipment or items not covered by this Agreement and on all non-Epson communications media and peripherals. This includes, without limitation, transmission lines, networks, and telephone equipment for data transmission; any electrical or mechanical work external to the Product; or maintenance, alterations, installation, deinstallation, and reinstallation of accessories, attachments, or other devices not furnished by Epson.
- r. Any problem or damage from operator or user error.
- s. Installation, deinstallation, or reinstallation of the Product.
- t. Compensation for the consumption of supplies or maintenance consumables during diagnostics, troubleshooting, maintenance, or repair.
- u. Service required to return the Product to operation if it has been turned off for an extended period and pre-storage maintenance was not performed (see your online *User's Guide* for details).
- v. Enhancements to the form, fit, or function of the Product that may be represented in products sold by Epson at a later date.

5. Customer Responsibilities

- a. Activate the Plan using instructions emailed to Customer after purchase.
- b. Perform operator maintenance prescribed in the *User's Guide* on a regular basis. Failure to complete proper and timely maintenance may result in Product failure. Service to repair the Product due to improper maintenance will be invoiced at Epson's time and materials rates.
- c. Operate the Product under suitable conditions, in compliance with environmental requirements, and within specification as documented in the *User's Guide*.
- d. Customer may not record Service without Epson's prior written consent.

Note: If a claimed defect cannot be identified or reproduced, Customer will be held responsible for costs incurred. Customer agrees to be billed at Epson's time and materials rates if excluded services are necessary to restore the Product to working condition and to pay such charges upon receipt of invoice.

- 6. **Charge for Matters Not Covered:** Epson is obligated to provide Service only within the terms stated in this Plan. Any labor, parts, or expenses used or incurred by Epson to provide service beyond these terms shall be paid by Customer at Epson's time and materials rates. Epson will invoice Customer in such case and each invoice is due 30 days from receipt.
- 7. **Unserviceable Product:** If Epson, after a commercially reasonable effort, is unable to provide Service, Epson may, at its discretion, offer a pro rata refund of the Plan amount paid, or that same pro rata Plan purchase amount may be used toward the purchase of a new product or a service plan for a new product.

F. Term, Cancellation, and Refunds

The Term of the Plan shall begin on the Plan Start Date. Unless earlier terminated as provided herein, the Plan shall expire on the one (1)-year anniversary of such Plan Start Date.

1. Customer may not assign or transfer this Agreement without the prior and express written consent of Epson. Please contact Epson (email customer.inquires@ea.epson.com or call 562-276-1305) to request consent. Any other purported transfer or assignment shall be void.
2. The right to cancel only applies to the original purchaser of this Plan and may not be transferred or assigned.
3. Customer may cancel this Plan by submitting a cancellation request in writing to the Epson dealer that sold Customer this Plan, or if this Plan was purchased directly from Epson to ATTN: Preferred Plus Cancellation, PO Box 93012, Long Beach, CA 90809-9941, USA.
 - a. **Cancellation of Plans:** If Customer's written notice of cancellation is received on or before the thirtieth day after the Plan Start Date, Customer will receive a 100% refund minus the cost of any Service provided. Service costs shall be determined based on Epson's time and materials rates. If a written notice of cancellation is not received by the thirtieth day following the Plan Start Date, there is no refund.
4. Epson may also cancel this Plan. In that case, Epson shall provide Customer with a written notice no fewer than 30 days prior to such cancellation at Customer's last known address, with the effective date for the cancellation and the reason for cancellation. Prior notice is not required if the reason for cancellation is nonpayment of the purchase price of the Plan, a material misrepresentation, or substantial breach of duties by Customer relating to the covered property or its use. If Epson cancels the Plan, Customer will receive a pro rata refund of what Customer paid for the Plan (for example, for a cancellation occurring halfway into the Term of the Plan, Customer will be refunded one-half the amount Customer paid).
5. If Customer purchased this Plan directly from Epson and cancels the Plan in accordance with the terms of this Agreement and applicable law, Epson must remit a refund to Customer within 30 days. If Epson exceeds 30 days, then Epson is also required to pay Customer a penalty of 10% per month for the unpaid amount due and owed to Customer. The right to cancel and receive a refund and this penalty payment only applies to the original purchaser of this Plan and may not be transferred or assigned.

G. ARBITRATION

ANY DISPUTE, CLAIM, OR CONTROVERSY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE BREACH, TERMINATION, ENFORCEMENT, INTERPRETATION, OR VALIDITY THEREOF, INCLUDING THE DETERMINATION OF THE SCOPE OR APPLICABILITY OF THIS AGREEMENT TO ARBITRATE, SHALL BE DETERMINED BY ARBITRATION IN ORANGE COUNTY, CALIFORNIA, BEFORE ONE ARBITRATOR. THE ARBITRATION SHALL BE ADMINISTERED BY JAMS PURSUANT TO ITS COMPREHENSIVE ARBITRATION RULES AND PROCEDURES OR PURSUANT TO JAMS' STREAMLINED ARBITRATION RULES AND PROCEDURES, AS APPLICABLE. THE ARBITRATOR SHALL FOLLOW ANY APPLICABLE FEDERAL LAW AND CALIFORNIA STATE LAW IN RENDERING AN AWARD. JUDGMENT ON THE AWARD MAY BE ENTERED IN ANY COURT HAVING JURISDICTION. THIS CLAUSE SHALL NOT PRECLUDE PARTIES FROM SEEKING PROVISIONAL REMEDIES IN AID OF ARBITRATION FROM A COURT OF APPROPRIATE JURISDICTION.

H. REMEDIES; DISCLAIMER OF WARRANTIES

EPSON'S SOLE AND EXCLUSIVE LIABILITY AND YOUR EXCLUSIVE REMEDY FOR EPSON'S FAILURE TO PERFORM IS THAT EPSON WILL, AT EPSON'S OPTION, REPERFORM THE SERVICE. THE WARRANTY AND REMEDY PROVIDED ARE EXCLUSIVE AND IN LIEU OF ALL OTHER EXPRESSED OR IMPLIED WARRANTIES INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTY OF MERCHANTABILITY, THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, AND THE IMPLIED WARRANTY AGAINST INFRINGEMENT. SOME LAWS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES. IF THESE LAWS APPLY, THEN ALL EXPRESS AND IMPLIED WARRANTIES ARE LIMITED TO THE TERM OF THIS AGREEMENT. UNLESS STATED HEREIN, ANY STATEMENTS OR REPRESENTATION MADE BY ANY OTHER PERSON OR FIRM ARE VOID. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG IMPLIED WARRANTIES LAST, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

IN NO EVENT SHALL EPSON OR ITS AFFILIATES BE LIABLE FOR DAMAGES OF ANY KIND IN EXCESS OF THE ORIGINAL PURCHASE PRICE OF THE PLAN. SOME STATES DO NOT ALLOW EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.
